

## Admin Control Mini Lockers

The brand-new Admin Control Mini Locker is the first of its kind in Australia. Designed for schools in Melbourne, the outer door can be keyed alike with other units or programmed digitally for instant administrator access. The interior compartments each have their own lock for students or other users who cannot access it without administrator assistance.

## FEATURES

Manufactured in Sydney, Australia

Welded body with 100% recyclable steel and up to 20% recycled materials

Electrostatically applied powder coat finish

Wall mountable with keyholes in rear

Protected by the Statewide Lifetime Warranty

Internal doors can be key, combo lock or other 3 point locking, external door can be key, padlock or other

Full door perimeter surround on internal doors to increase security between compartments
