

## LATERAL FILING CABINETS

### Product Description

The Statewide Lateral Filing Cabinet is the storage solution for the space conscious. At only 455mm deep instead of the standard filing cabinet depth of 610mm, the unit will fit snugly against a wall while still storing 45kg per drawer. Our laterals are supplied with divider bars that allow you to configure your files either front to back, or side to side. This makes them great for storing documents you wish to access on a daily basis.

#### Features

- > 100% Australian Made
- > Bluescope steel
- > Lifetime warranty
- > Fully welded
- > Fully assembled
- > Anti Tilt Technology
- > Heavy duty telescopic runners
- > Label Placeholder
- > Multi Colour Available
- > Lateral Divider Included

#### Benefits

Buying Statewide supports the Australian economy  
 Sourced locally and constructed with as few cuts as possible  
 Statewide cabinets will last as long as your office does.  
 Extra strength body holds its shape well and highly durable.  
 Ready to use the minute it is delivered  
 With one drawer open, the other drawers auto-lock!  
 Allows full access to the interior, and are remarkably durable  
 Label your file drawers (not available on Streamline Front)  
 Add style by having different drawer/body colours  
 Choose if your files are sideways or front to back

#### Accessories (available separately)

- > Lateral Cabinet Mobile Frame

#### Locking Systems

- > Key lock as standard
- > Keyed alike available on request
